

11th September 2017

Dear Parents and carers,

Interim Principal

It is with regret that I have to inform you that I will be leaving Park View on Thursday this week due to health issues. As you are aware, Miss Pickard is currently on maternity leave and is not due back in school until December this year. Until Miss Pickard's return the school will be led by Mrs Gavins (our Executive Principal) along with another leader from Delta Academies. This will ensure that the good standard of education provided for your children is maintained.

I would like to take this opportunity to say that although my time here has been relatively short, I have thoroughly enjoyed working with the Park View community. The children have been delightful and I wish everyone continued success.

Yours sincerely

S. Curtis
Interim Principal
