Dear Parent / Carer

Thank you so much for taking the time to complete the 2017 Parent Survey we sent home recently. Your very positive feedback is very much appreciated and I have shared your views with all the staff.

We are working hard to improve the quality of education for all the children at Park View and we are proud to belong to such a vibrant, caring community.

We aim to get things right but if you ever need to speak to us about any concerns, please do not hesitate to contact me.

Yours sincerely,

Mrs Donna Brown  
Associate Executive Principal
