

November 2017

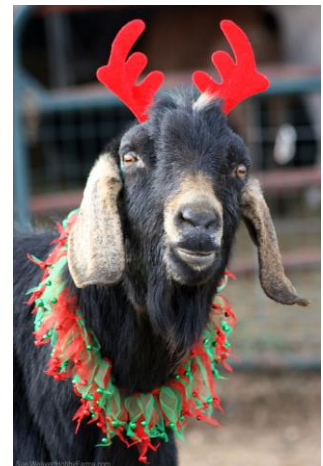

Dear Parents and Carers,

Festive Farm – Wednesday 13th December

Once again we have arranged for the Festive Farm to visit our school this Christmas season! As all the reindeers are busy at this time of year we have arranged for other farm animals to come along dressed in Christmas outfits.

The children will be in close contact with sheep, goats and rabbits. They will be given opportunities to touch or stroke the animals. The company have advised that **if your child is allergic to these animals they should not take part**. Please let a member of staff know if your child has any allergies. We do require permission for your child to visit the farm so please sign below and return to school as soon as possible. As the farm will be outdoors, please make sure your child has a suitable winter coat, shoes or boots and a hat.

Many thanks,

Mrs Crowther
Nursery Teacher

.....
Mrs Crowther
Park View Primary Academy

I do / do not give permission for my child in Class
to take part in the Festive Farm visit at Park View Primary Academy on Wednesday 13th
December.
