## Update from the Head

What a busy Spring term it has been. As you can see, there have been lots of opportunities for our pupils across school.

We have provided alternative sports this term to support our pupils to be physically active while having lots of fun. Nerf Wars took place early in the term as well as ice-skating and climbing. Each being incredibly popular with our pupils.

# Welcome: new staff

When we return after the holidays, we will welcome two new members of staff.  
**Miss Sannah Naz** joins the Park View team as Y3 teacher, class sharing with Mrs Jones.  
We also welcome **Miss Shuwayfa Ahmed** as teaching assistant to Year 4.  
We are excited to welcome them to our team and I know our school community will be as welcoming as always.

## SEND Coffee Morning

Thank you to those parents who attended our SEND coffee morning.  
This was a great opportunity for parents of children with SEND to meet other parents and chat. It was a great space to ask about each other's experiences, find out more about what services are out there as well as getting to know Mrs Scott-Spencer, our SENDCo.  
We hope these become a regular drop-in event where you can find further support or just check-in with others.

## Inclusion & SEND

At Park View, we are committed to providing an inclusive education for all our children. This means that any child who may have Special Educational Needs or a Disability (SEND) will have access to additional or specialist support throughout their life at our academy. All teachers are responsible for every child in their care, including those with special educational needs and disabilities.
